WENTWORTH SMOTHERS THE MUTES

Coach Wikoff Uses Entire Squad Against The Visitors. Score 47 to 0.

The Wentworth Military Academy football team had little difficulty Saturday in defeating the Kansas School for Deaf of Olathe. The score was 47 to 0. The Mutes put up a good fight but they were hopelessly outclassed and were able to make only one first down during the whole game. Coach Wikoff's men displayed a heavy smashing attack which tore through the lighter opponents at will.

Olathe received the kick but was held at once. As soon as Wentworth received the punt a drive was started and by the plunges of McMillan, Bradfield, and Houser a touchdown was made in about four minutes. Coach Wikoff began at this point to send in substitutes and during the whole game he used twenty-eight men.

The touchdowns continued through the first half. Sanderson and Fannin both made good gains, the latter once running forty yards through the center of the field for a score. At the end of the second quarter Wentworth had rolled up 34 points.

In the third quarter the W. M. A. team was made up entirely of second string men. These substitutes fumbled frequently and through such ragged playing they were prevented from scoring. But in the fourth period one or two varsity men went back in and two more touchdowns were added.

Bradfield, the fleet half-back, starred for W. M. A. His return of punts was sensational. Fleming was a tower of strength in the line and was good in kicking goals. Houser, Fannin, and Sanderson also showed up well. The Mutes' only star was big Williams, their fullback.

Unintentional Killing at Alma.

Early Tuesday morning Reinhold Lohoefer, son of W. F. Lohoefer, of Alma, shot and killed Louis C. Roehrs following the sounding of the burglar alarm on the general merchandise store of the elder Roehrs and Lohoefer, and mistaking him for the burglar. The two men were circling the store and Mr. Lohoefer being dressed in an unusual manner—in slouch hat, hunting coat and carrying a shot gun—Mr. Lohoefer failed to recognize him and when they came face to face around a corner Mr. Lohoefer shot, with fatal results.

The deceased was thirty-one year old and is survived by his wife and two children, two and a half years and four weeks old, respectively; his parents, two brothers and seven sisters.

A Big Stock Reducing Sale.

Your attention is called to the advertisement of W. L. Gruber found on another page of this issue. Mr. Gruber states that he has a larger stock than he wishes to carry, and is, therefore, offering everything at greatly reduced prices. Everything is seasonable and up to Mr. Gruber's standard of merchandise.

The sale started Saturday October 9th, and will close Saturday, October 23rd.

Higginsville 6; All-Stars 0.

The All-Stars, a "picked team" out of the Corder and Lexington teams were defeated at Higginsville Thursday by the score of 6 to 0.

County School Notes.

Dr. C. A. Phillips, of Warrensburg, who is conducting three extension classes in Lafayette County, will meet his class in Lexington at 7 p. m., on Friday, October 22nd, in the high school auditorium. He will also meet his class at Higginsville on Saturday morning, at 9 o'clock, October 23rd, as well as his class at Odessa at 1:30 p. m., on the same date. These two classes meet in the high school building at each town. Fifty-seven teachers are taking the work at the three places. At the time and dates named above will be the last chance for new members to join his classes. So if any person is at all interested in the Educational work which he is giving and has not enrolled he should not delay the matter longer because the enrollment closes upon Dr. Phillips' next visit to this county.

Slusher School District No. 10, east of Lexington, will open their newly erected school building for use Monday morning, October 18. Miss Nina Willis, of Hale, Mo., and Miss Mary Chambers, of the Slusher district, are the teachers for this year. The new building which has been built by A. R. Hillock of Lexington, and Carl Gadt, Jr., of the Slusher district, is certainly a credit to the district and county as it is one of the best school buildings which has been erected in the country for many a day. It has two large class rooms which are separated by folding doors. This makes it possible to throw the two rooms into one assembly hall 24 by 56 feet. Each class room has a library room and a cloak room for the pupils as well as a private cloak room for the teachers. There is also a large hall, a the basement. The basement is perch, two stairways leading to 36 by 56 feet, and will be used for the furnace, coal bin, hot lunches, Vitalized Agriculture, Home Economics and play room in bad weather. The building faces south, making it ideal for the north side of the class rooms to be mostly glass. The patrons, and especially the school board are to be congratulated upon their good work in erecting the building. Not a single vote was cast against the \$7,750.00 bond issue which was voted May 25, 1920. The school board is composed of Henry Wigbels, President; J. D. Slusher, Secretary; and R. L. Nelson.

Miss Annie Mary Starke, teacher of the Page City School, has the honor of holding one of the largest pie-suppers ever held in Lafayette County if we measure it by the proceeds which were just a few cents less than \$150.00. The supper was held last Saturday evening at the school house and was well attended. Pies sold high. Some brought more than five dollars apiece. Miss Starke was voted the most popular young lady present and received a large box of bon-bons as her reward.

The State Teachers' Association will meet this year in Kansas City, November 11-13 in Convention Hall. Lafayette County hopes to have a 100 per cent enrollment of its teachers in this association this year.
